University of New Hampshire Upward Bound  
Summer 2020 Teaching Positions

What is Upward Bound?
UNH Upward Bound, a federally funded college preparatory program, provides services at no cost to 114 students attending Farmington, Somersworth, Spaulding, Manchester Central, Memorial, and West High Schools. Our mission is to help students develop the skills necessary to successfully graduate from high school and go on to college in order to earn a two or four-year degree within six-years of high school graduation.

Since 1966, UNH Upward Bound has helped several thousand New Hampshire young people earn college degrees and improve their options for successful careers. Our program begins during the Academic Year where students will meet with advisers twice-monthly in their schools and receive academic, career, and college assistance and guidance. In addition to in-school advising, students receive college & career guidance during grade-level workshops, have the opportunity to attend monthly Saturday Tutoring Academies at UNH and college, educational and cultural visits throughout New England. The program continues during the Summer Residential program which takes place over six weeks at UNH. Students get to experience residence hall life while living with other Upward Bound students on the UNH Durham campus Monday through Friday. They take classes that will help prepare them for their next year in school. In addition, students will get support through tutoring, creative problem-solving challenges, and culturally enriching activities.

Openings
Literature & Composition, Pre-Calc/Calculus, Biology, Chemistry, SAT Prep, and Financial Literacy.

The Summer Program
The 2020 six-week summer program is scheduled to begin on Sunday, June 21 with an end date of Friday, July 31 excluding weekends. The summer component takes place on the campus of the University of New Hampshire where students live in a UNH residence hall, eat at a UNH dining hall, and attend classes in academic buildings throughout the campus. UB teachers are committed to education and to helping young people and have the opportunity to create an experiential curriculum that is both interesting and inspiring.

Position Description
Literature & Composition, Senior Seminar, Math, & Science teachers have three, 60-minute classes MWF. Study Skills, SAT Prep, & Research teachers have two, 75-minute classes Tues. & Thurs. Teachers are free during lunch, 11:30 – 12:15pm. In addition to classroom responsibilities, we also require teachers join us for Monday morning UB community meetings, one weekly staff meeting on Wednesday afternoon from 2:45-3:45 as well as be available for study hours after their final class on their teaching days. Teachers will also prepare mid-summer and final student evaluations to help students strengthen their academic performance. Ideal candidates will have experience working with high school students. If, due to snow days, an applicant is unavailable to start at the beginning of our program we may be able to accommodate their schedule. The salary for the summer position will be $2600.

Training & Other Responsibilities
Upward Bound Staff will provide pre-summer training on both an individual level and at a full staff afternoon retreat to help guide curriculum and to introduce the Upward Bound program. While working predominantly with classroom students, the teacher will have the opportunity to interact with
the entire program during our No Discount Policy ceremony on June 30th and work across disciplines to create a Creative Problem-Solving afternoon for students on July 23rd.
